

# Making Disciple & Transforming the Future of Children in North Sumatra

GPdI EKLESIA TJ KUBAH BATUBARA  
Communities - Medan

# Holistic Disciple Making Ecosystem

## Vision & Mission

### Vision

Komunitas berkembang di Sumatera Utara di mana anak-anak mencapai potensi penuh mereka dalam pendidikan, karakter, spiritualitas, dan kesehatan, keluarga-keluarga diperkuat, dan kasih Tuhan termanifestasi.

### Mission

Untuk mendorong perkembangan holistik pada anak-anak dan keluarga mereka di komunitas-komunitas kurang beruntung di Sumatera Utara dengan menyediakan pendidikan seimbang, dukungan gizi, panduan orang tua, dan bantuan keuangan, yang berakar dalam prinsip-prinsip Kristen.

# Introducing the Holistic Disciple Making Ecosystem Program

Target Group	Children aged 3 to 14 years from underprivileged communities
Frequency	Engagements daily or at least three times a week
Educational Approach	Utilizing Early Childhood Education (PAUD) and learning centers for children aged 6-14
Holistic Development Focusing on:	Education : Ensuring academic growth and development Character : Building strong moral values and ethics Spirituality : Nurturing spiritual growth and understanding Health : Promoting healthy lifestyles and well-being and providing additional nutrition for children facing malnutrition and undernutrition
Parental Guidance	Equipping parents with the necessary knowledge and skills for effective parenting in God's way
Financial Support	Providing assistance to families in need to create a stable environment for children's growth
Community Impact	Aiming for well-rounded development to build a thriving and Christ Centered community
